

ST IVES  
CORNWALL

*Trevalgan is an award-winning, luxury, five-star, family camping and touring park with stunning coastal and countryside views, just two miles from St Ives.*

## *Welcome*

The Park, which is owned and run by Neil and Annette Osborne, is surrounded by open farmland, with gorse and heather covered hills behind, and is within walking distance of the rugged and beautiful South West Coast Path.

It is a leisurely one hour walk along the coast path to St Ives, famous for its quaint cobbled streets and home to the Tate St Ives, Barbara Hepworth Museum and Sculpture Garden and numerous art galleries. Its sparkling turquoise seas and soft sandy beaches provide opportunities for surfing, kayaking, stand-up paddle boarding and family-friendly bathing.

Dolphins and seals are a common sight as you walk along the clifftops into town, and the promise of a traditional pasty, delicious artisan ice-cream or home-made cream tea, is usually enough to keep even the littlest legs going to the end! More experienced walkers will enjoy the challenges of reaching Zennor and beyond.

## *Discover More*

West Cornwall offers many activities and sights to keep the whole family entertained. You could walk the causeway to St Michael's Mount, take a vineyard tour at Polgoon or meander the streets at the picturesque fishing village of Mousehole.

Why not take in a clifftop show at The Minack Theatre, visit England's most westerly point at Land's End, surf the waves at Sennen or Gwithian or get up close to the famous engine houses at Botallack and Levant?

Nature lovers can view a colony of grey seals from the clifftop at Godrevy, have a fun family day at Paradise Park, rummage the rock pools for blennies, crabs and starfish or simply soak-up the amazing views and tranquillity from the miles of cliff path.

There really is something for everyone looking to explore a little further afield.

## How to find us

**By Car** Exit the A30 towards St Ives and take the first exit at the second mini roundabout following directions for 'St Ives (day visitors)'. At the T-junction turn right onto the B3311 and drive through Halsetown. Turn left at the next T-junction on to the B3306 towards St Just/Morvah/Zennor. After approx. 1/2 mile turn right at the brown tourist sign. Follow this single track lane (there are a number of passing bays!) for approx. 1/2 mile to a small triangle in the road, keep right and we are located a short distance on the right.

**Sat Nav** Unfortunately most Sat Nav systems route guests unnecessarily all the way through St Ives town and therefore, to avoid the narrow streets, we advise that you follow the directions above once you exit the A30.
